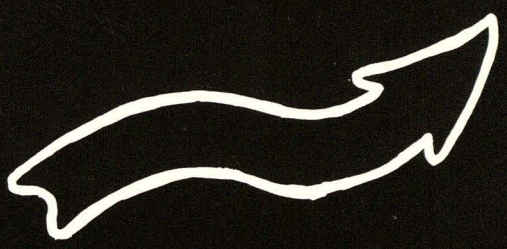
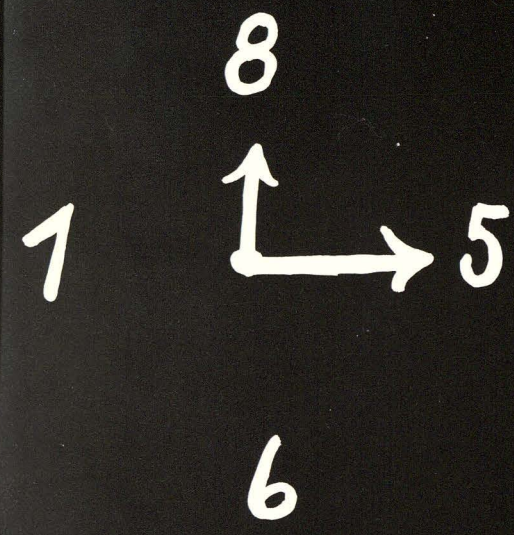
The Design On The Cover Of The '79' Amity Symbolizes The Three Words Of Our Theme: Time . . . Cycle . . . And Outlook

Outlook is represented by the arrow pointing outward to the future. May it hold our hopes and dreams come true.





The clock ticks away the time we've spent at Mackinaw which has been filled with academics, sports, and special times.

The circle spins the continuous cycle of incoming and outgoing students. May it never stop revolving.

Since you wanted me to write a lot I believe I will! I hope that you and Shannon will have a lot of fun wherever and whenever you go. I also hope that you will have a lot of fun next year at IKE! I like your humor & also think you're really nice, cute and have a pretty good personality. I also really like my good guy and you for you. This may be very boring, but I really can't think of anything to say! I just hope you have fun trying to figure out what to say! Well I think I'll end this and leave room for more people to sign it.
